WHEN YOUR TWO POLICIES START AND END

The cover for Policy A, as described under section A of the pre-travel policy, starts from the commencement date of cover shown on your insurance certificate, after the policy was issued and ends when you leave home to start your trip. On annual multi-trip policies cover starts on the chosen starting date and cancellation cover is **not in force** until that date, subsequent trips start from the date of booking.

The cover under policy B starts when you leave home as shown on your insurance certificate and ends on *your return home or expiry of the policy*, whichever is the first. No further trips are covered except where you hold an annual multi-trip policy which will cover further trips with durations of 31 days and less unless the appropriate additional premium has been paid. There is absolutely no cover for any portion of a trip which is longer than 31 days in duration unless the appropriate additional premium has been paid.

EXTENSION OF PERIOD

In the event of either your:

- death, injury or illness during your trip,
- delay or failure of public transport services during your trip;

you are unable to complete the trip before your travel policy expires, cover will be automatically extended for **medical expenses only** without additional premium for the additional days necessary to complete the trip, should you wish to include cover for all other sections of the policy, you can arranged to extend cover via the sales team.
