PART III
THE ISSUER AND REASONS FOR THE PLACING

1. INTRODUCTION

The Issuer will issue the Loan Notes in order to raise up to £50,000,000 which will be used to make loans to the CGFL Entities under the Loan Facility, for the purpose of enabling the CGFL Entities to fund a diversified portfolio of Customer Loans.

A Loan Note will be redeemable by the Noteholder on the last day of each Issue Period selected by the Noteholder on subscribing for the Loan Note if the Noteholder provides the required notice specified in the Certificate representing that Loan Note. Fixed rate interest shall accrue on each Loan Note monthly, quarterly or annually, dependent on the period specified in the Certificate for the relevant Loan Note. The Coupon payable in respect of the relevant interest period and Issue Period selected by a Noteholder shall, until further notice, be as set out in the table below:

ISSUE PERIOD	MONTHLY INTEREST PERIOD	QUARTERLY INTEREST PERIOD	ANNUAL INTEREST PERIOD
12 MONTHS	3.25% PER ANNUM	3.50% PER ANNUM	3.75% PER ANNUM
36 MONTHS	5.25% PER ANNUM	5.50% PER ANNUM	5.75% PER ANNUM
60 MONTHS	6.00% PER ANNUM	6.25% PER ANNUM	6.50% PER ANNUM

The Issuer may change the Coupon for Loan Notes from time to time. This will not apply to Loan Notes already in issue for the first Issue Period provided that the Issuer may, on providing notice no later than three months before the date on which notice of repayment must be served in accordance with the terms of the relevant Loan Note, change the rate for any subsequent Issue Period.

Interest payments from the CGFL Entities due to the Issuer pursuant to the provisions of the Loan Facility will be used to pay the operational expenses of the Issuer together with the Coupon on the Loan Notes. The CGFL Entities will use monies advanced under the Loan Facility to provide Customer Loans. Any funds loaned by the Issuer to the CGFL Entities and not utilised from time to

time in the making of Customer Loans will be held by the CGFL Entities in a separately designated bank account.

The CGFL Entities will provide a security interest in favour of the Trustee over the Customer Loans originated utilising the Placing Proceeds advanced to it under the Loan Facility, receivables payable under those Customer Loans and any bank account into which the Placing Proceeds and receipts generated by the Customer Loans are to be paid. The Issuer will provide security over the Subscription Account into which cash Subscription Monies are paid and over the advances made by it to the CGFL Entities under the Loan Facility. The Trustee will act as trustee of that security for the benefit of the Noteholders.

2. THE ISSUER

The Issuer is a company limited by shares incorporated in the Isle of Man, its principal business is to issue the loan notes and provide funds to the CGFL Entities.

3. BUSINESS OVERVIEW OF THE ISSUER

4.1 The Business

The Issuer is a company whose sole business will be raising funds pursuant to the issue of Loan Notes and the making of advances under the Loan Facility.

4.2 Background

The Cherry Godfrey Group has been providing Customer funding, mortgages and insurance products in the Channel Islands for the past two decades and has grown to become one of the largest independent, pan-Channel Islands provider of these services. It is hoped to grow these services over time by offering them to residents of the Isle of Man.

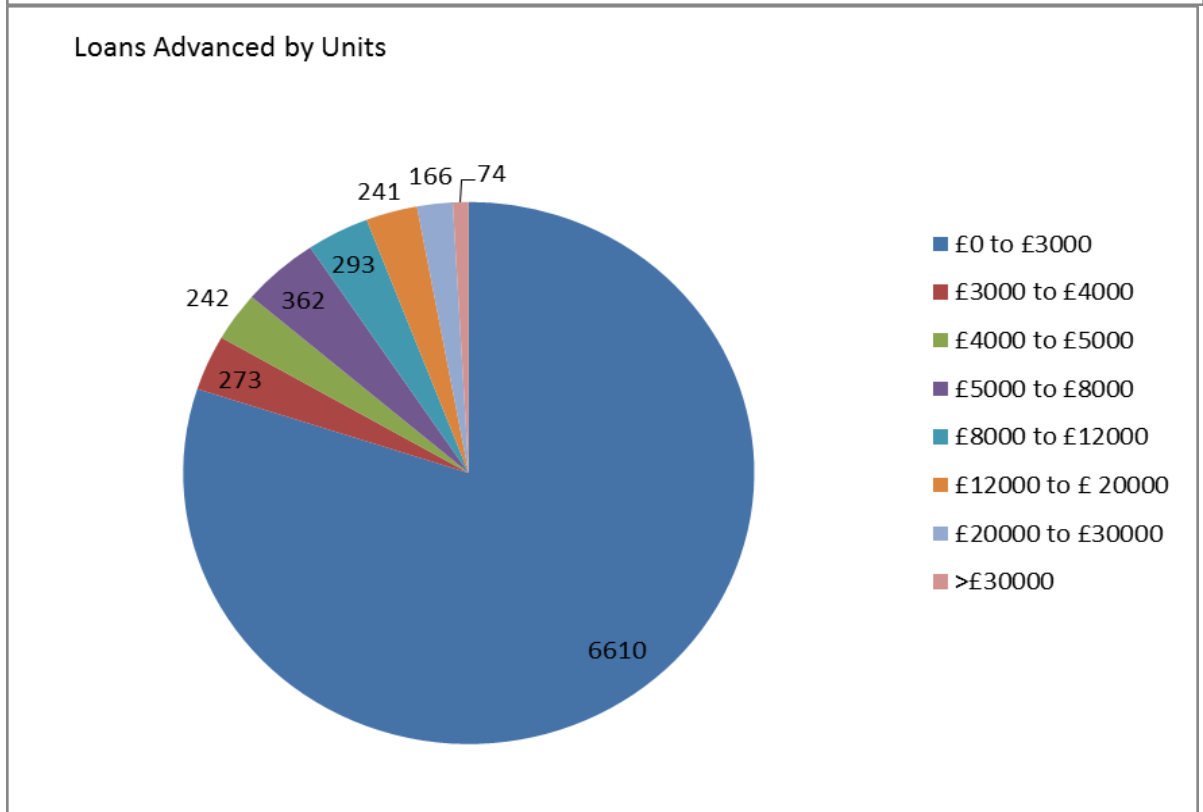

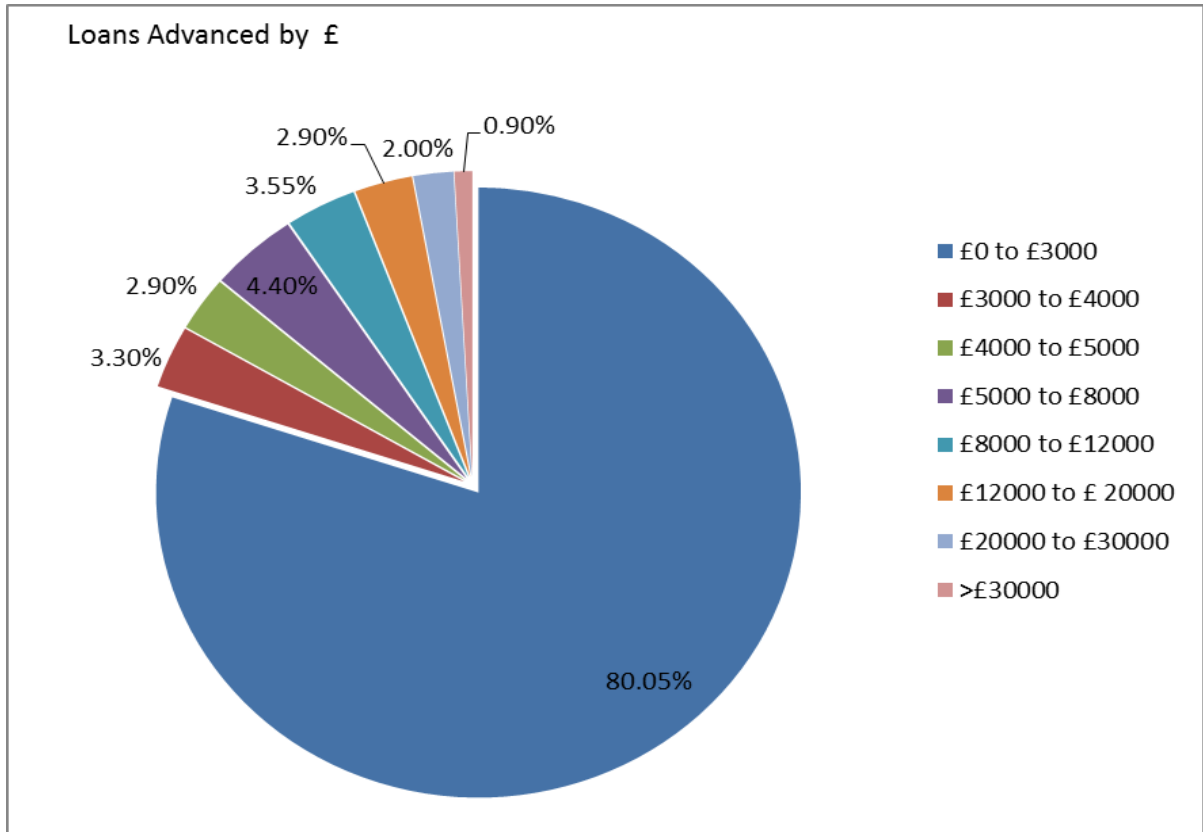

The Cherry Godfrey Group:

- (a) benefits from a large active database of customers utilising one or more of these product groups; and
- (b) has invested significant resources in developing a unique route to market as a result of its own sales and marketing and by relationships with state, corporate and other trading partners who promote Cherry Godfrey services and products alongside their own.

The Cherry Godfrey Group may seek alternative funding for the loans it advances to Customers. These loans typically comprise of amounts of circa £3,000 over an average term of 23 months. Assuming that all the Loan Notes are subscribed pursuant to the Placing, it is anticipated that up to 16,000 individual Customer Loans may be financed.

The historic bad debt profile of the Cherry Godfrey Group portfolio over the period 2000 and 2009 has been maintained at an average loss rate of 1.35% (provided by actuarial specialist BWCI Ltd).

ANALYSIS OF LOANS WRITTEN IN 2015

Advances of Customer Loans will be made under the terms of an existing comprehensive underwriting procedure which has been developed over a number of years and which has been instrumental in the low level of bad debt experienced by the Cherry Godfrey Group. The Cherry Godfrey Group operate reciprocal agreements with both Channel Islands and UK credit reference organisations enabling detailed data sharing of positive and derogatory credit history and client exposure records which are utilised in the underwriting process.

The analysis set out above does not include any Customer Loans entered into with Customers in the United Kingdom.

4.3 Indebtedness of the Issuer

The Issuer is not, and does not intend to become, indebted to any third party other than by virtue of the issue by it of the Loan Notes.

4.4 Current Consumer Portfolio

The Cherry Godfrey Group manages a current loan portfolio of approximately £40m; this portfolio has experienced bad debt levels of approximately 0.5% throughout 2015, significantly below both the 1.35% averaged between 2000 and 2009 and the historical UK average.

An actuarial review of all loan business written by the Cherry Godfrey Group covering the period from 2000 to 2009 was carried out by BWCI Ltd which demonstrates bad debts at 1.35% of loans made during that period. The Cherry Godfrey Group's accounts, post 2009, have shown a marked improvement on the 1.35% bad debt ratio. Cherry Godfrey is not currently aware of any factors that would indicate any likely deterioration in its historically low level of bad debt.

Monitoring of bad debt is undertaken by daily reporting and verified by the production of system generated reports.

The Cherry Godfrey Group ascribes its low bad debt levels to four principal factors:

- (a) Expertise in identifying suitable loan customers; many customers are well known to the Cherry Godfrey Group and have previously borrowed on a regular basis.
- (b) Sophisticated intelligence based upon historical records and public financial records.
- (c) Customer Loans are well diversified and avoid significant exposure to related borrowers using prudent underwriting criteria
- (d) When compared to UK data, the Channel Islands and Isle of Man enjoy low rates of unemployment together with above average levels of remuneration with a significant percentage of residents being employed within well diversified finance, administrative and insurance based industries.

The Cherry Godfrey Group is a reciprocal provider of client data to UK and Channel Islands credit reference agencies, in addition, a sophisticated database of historical data is maintained which ensures that appropriate underwriting is applied.

Thorough understanding of local law and credit control procedures related to the maintenance of consumer and mortgage facilities helps to ensure the long term security of loan portfolios.

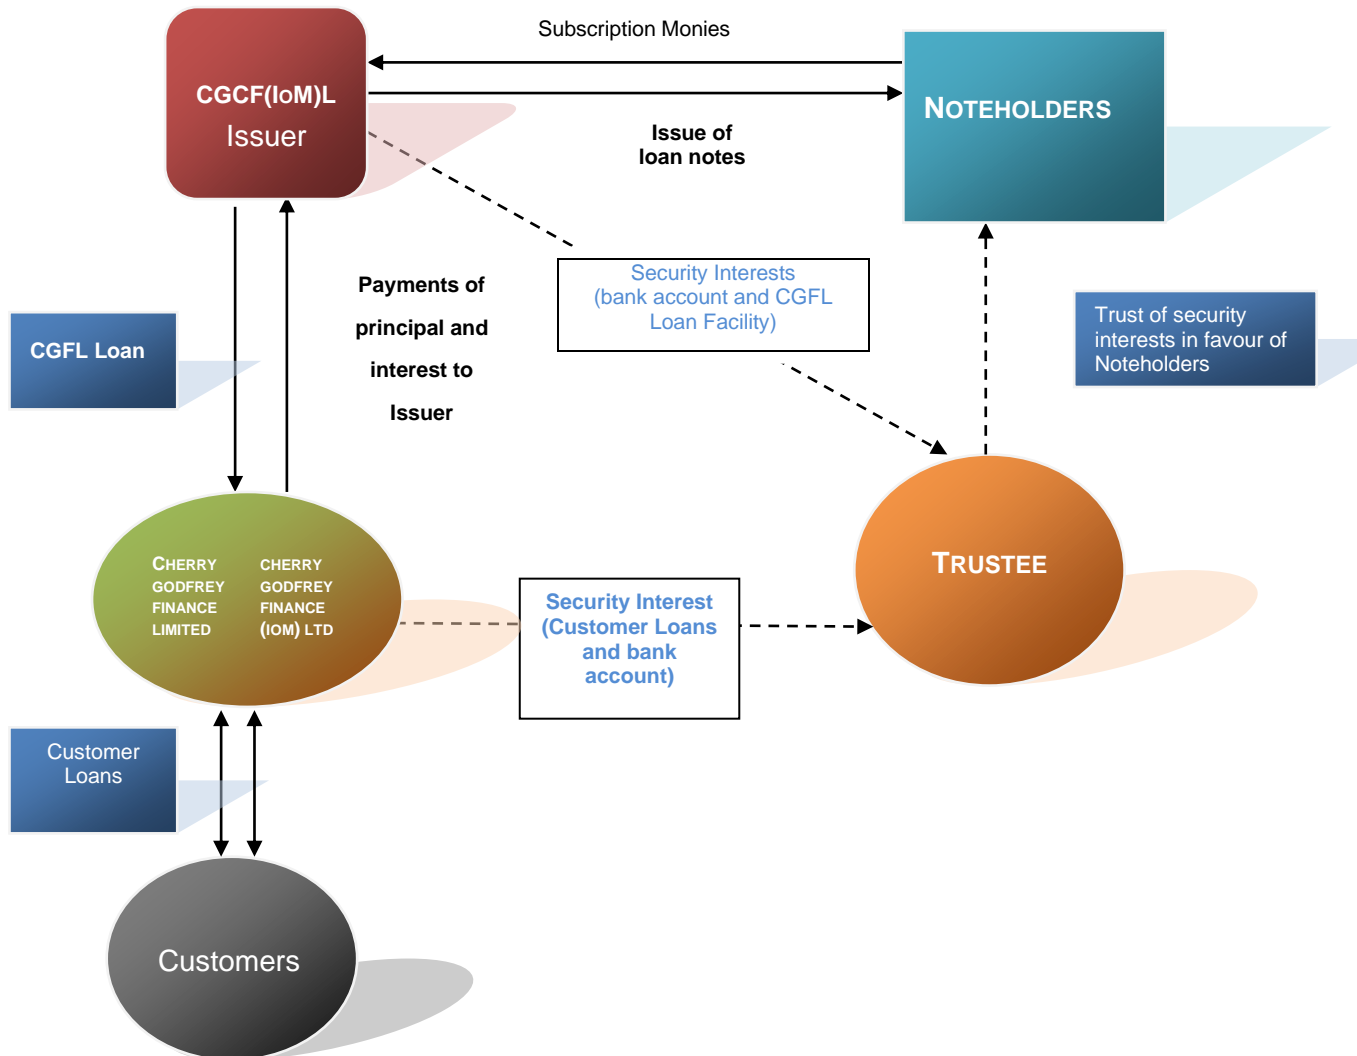

4.5 **Reasons for Fundraising**

Proceeds from the Placing will allow the Issuer to make advances under the Loan Facility to the CGFL Entities which the CGFL Entities will in turn use to make Customer Loans. The Issuer will thereby receive interest and capital payments from the CGFL Entities allowing it to pay the Coupon. Advances made under the Loan Facility may be recovered to fund repayments of the Loan Notes.

As set out in the diagram below, the Issuer will:

- Issue Loan Notes up to the value of £50,000,000 with a minimum investment of £50,000.
- Enter into a Loan Facility with the CGFL Entities which will use advances made to each of them thereunder to make Customer Loans of the profile described above.
- Interest will be payable on the Loan Notes monthly, quarterly or annually, as selected by the relevant Noteholder. The rate of interest on the Loan Notes will vary depending upon the payment period selected, as described on page 13.
- Security will be provided by the Issuer, Cherry Godfrey Finance (IOM) Ltd and Cherry Godfrey Finance Limited for the benefit of Noteholders in the form of the Security Interest Agreements.
- Verification of the loans subject to the Security Interest Agreement(s) will be carried out by an independent auditor on behalf of the Issuer at 3 monthly intervals.

4.6 Loan Note Structure

4.7 Security

A Loan Facility will be made available by the Issuer to Cherry Godfrey Finance (IOM) Ltd and Cherry Godfrey Finance Limited under which the Issuer will lend the net Placing Proceeds. These funds will be used by Cherry Godfrey Finance (IOM) Ltd and Cherry Godfrey Finance Limited exclusively to make Customer Loans as described above, and be monitored by the Issuer's auditor.

Security agreements will be entered into creating security over the loans from the Issuer to the CGFL Entities and by the CGFL Entities to Customers and the segregated bank accounts in favour of the Trustee for the benefit of the Loan Note Holders.

Under the terms of the Security Interest Agreements there will be a number of default triggers. If a default occurs the Trustee may take possession of the

Customer Loans and the Issuer's designated bank account and these assets will be held by the Trustee for the exclusive benefit of the Noteholders.

The events of default will include:

- 1) the CGFL Entities or the Issuer becoming insolvent or ceasing to trade.
- 2) The Issuer failing to pay the Coupon when due (except as a result of error or the failure of any payment system used to make those payments).

4.8 Investment Return

Returns on the Loan Notes will be based upon the sum of the face value of the Loan Notes, whether the Loan Facility is fully utilised or not.

Customer Loans will earn interest for the CGFL Entities at the approximate rate of 14%.

This will provide for:

- Coupon payments at an average of 4.75% of the principal amount of issued Loan Notes;
- anticipated bad debts of approximately 1.35%;
- running costs of the Issuer equal to 0.50% of Customer Loans made; and
- margin for the CGFL Entities of 7.40% of Customer Loans made.

4.9 Repayment of Loan Notes

A Noteholder may require repayment of a Loan Note at the end of the Issue Period selected by that Noteholder on making an application for Loan Notes and which is specified in the Certificate representing the relevant Loan Note. Notice must be given to the Issuer requiring redemption:

- (i) in the case of Loan Notes with an Issue Period of 12 months, one month prior to the end of the Issue Period; and
- (ii) in the case of Loan Notes with an Issue Period of 36 or 60 months, six months prior to the end of the Issue Period.

If repayment is not requested the Loan Notes will continue in issue, unless redeemed by the Issuer, until the end of the next Issue Period and thereafter unless or until repayment is requested for the end of the then current Issue Period on provision of the requisite notice.

The Loan Notes will be transferable provided that the transferee, whether as a result of its own subscriptions for Loan Notes or as a result of that or other transfers, will be registered as the holder of not less than £50,000 in value of Loan Notes.

The Issuer will have the right to repay a Loan Note in full (including any outstanding Coupon) at any time after the expiry of 24 months following the Subscription Date for the relevant Loan Note.

- (iii) Neither the Issuer (nor its legal advisors) nor any of its respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Loan Notes by an Applicant of the Loan Notes, whether under the laws of the jurisdiction of the Applicant incorporation, residence or domicile or the jurisdiction in which it operates (if different), or for compliance by the Applicant with any law, regulation or regulatory policy applicable to it.

FORWARD LOOKING STATEMENTS

This Private Placing Memorandum contains forward-looking statements, including, without limitation, statements containing the words "believes", "estimates", "anticipates", "expects", "intends", "may", "will" and "should" or, in each case, their negative or other variations or similar expressions. Such forward looking statements involve unknown risk, uncertainties and other factors, which may cause the actual results of operations, performance or achievement of the Issuer, or industry results,

to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements.

Important factors that could cause these differences include, but are not limited to:

- changes in economic conditions generally and their input on the Issuer's ability to achieve its financial targets;
- changes in assumptions made by the Directors in arriving at the Issuer's ability to pay the Coupon and ultimately repay the Loan Notes; and
- changes in laws or regulations, including tax laws, or new interpretations or applications of laws and regulations, that are applicable to the Issuer.

NON-PERFORMANCE OF CUSTOMER LOANS

The Issuer is reliant upon income being achieved by the CGFL Entities by their entry into Customer Loans to service interest payable to the Issuer under the Loan Facility. Without the CGFL Entities servicing interest obligations under the Loan Facility, the Issuer may not be able to discharge its obligations to pay the Coupon payable in respect of the Loan Notes. Furthermore, the ability of the Issuer to repay capital is reliant upon sufficient Customer Loans being repaid to the CGFL Entities in accordance with their terms in order that it may make requisite repayments under the Loan Facility. Past performance of such type of Customer Loans should not be considered as a guide to future performance.

NO TRADING HISTORY

The Issuer has not yet commenced operations. The Issuer does not have any operating history, historic financial statements or other meaningful operating or financial data, with which Applicants may evaluate the Issuer. The Issuer is subject to all the business risks and uncertainties associated with any new business enterprise, including the risk that the Issuer will not achieve its commercial objectives and therefore be unable to pay the Coupon and/or effect repayment of capital.

CHANGES IN LAW OR REGULATION

Any change in the law and regulation affecting the Issuer or any changes in applicable law and regulation generally may have an adverse effect on the ability of the Issuer to carry on its businesses.

For regulatory, tax and other purposes, the Issuer and the Loan Notes may not be treated in a similar way in different jurisdictions. In certain jurisdictions, the treatment of the Issuer and/or the Loan Notes may be uncertain or subject to change or it may differ depending on the availability of certain information or disclosure by the Issuer of that information. The Issuer may be subject, therefore, to financially and logistically onerous requirements to disclose any or all of such information or to prepare or disclose such information in a form or manner which satisfies the regulatory, tax or other authorities in certain jurisdictions. Failure to disclose or make available information in the prescribed manner or format, or at all, may adversely impact Noteholders in those jurisdictions.

Cherry Godfrey Finance (IOM) Ltd and Cherry Godfrey Finance Limited will enter into the Loan Facility with the Issuer pursuant to which the net proceeds of the Placing will be made available by the Issuer to those companies in order to permit each of

them to make Customer Loans. In the case of Cherry Godfrey Finance (IOM) Ltd, Customer Loans can be made by virtue of that company being registered as a moneylender pursuant to the provisions of the Isle of Man Moneylenders Act 1991. If Cherry Godfrey Finance (IOM) Ltd ceases to be so registered for whatever reason, under the law in the Isle of Man as currently enacted, Cherry Godfrey Finance (IOM) Ltd will be precluded from making Customer Loans; this could impact the business of Cherry Godfrey Finance (IOM) Ltd and thereby affect the ability of the Issuer to meet its obligations in terms of the Loan Notes.

NO PETITION

Save to the extent that any relevant legislation provides otherwise, no recourse under any obligation, covenant or agreement of the Issuer contained in the Loan Note Instrument may be had against any shareholder, officer or director of the Issuer or the CGFL Entities as such, by virtue of statute or otherwise. Any and all personal liability of every such shareholder, officer or director for breaches by the Issuer of any such obligations, covenants or agreements either at law or by statute or constitution has, to be fullest extent possible at law, been waived.

RISK OF EARLY REPAYMENT

The Issuer retains the right to redeem any Loan Notes in full (including any outstanding Coupon) at any time after 24 months have expired since the Subscription Date. If the Issuer repays Loan Notes prior to the end of the current Issue Period, an Investor will, as a result of that early repayment, receive less interest than would have been the case had repayment been made at the end of the current Issue Period.

ABSENCE OF REGULATION

The Issuer is not regulated by the FSA or any other securities or governmental authority. Accordingly, the benefit of such regulation is not, and will not be, applicable to the Issuer or available to Noteholders. The FSA has not authorised this document or the Loan Note Instrument and does not accept any responsibility for the financial soundness of the Issuer or for the accuracy of any of the statements made or opinions expressed herein.

Holders of Loan Notes are not protected in the event of the Issuer defaulting on its obligations under the Loan Note Instrument; the Isle of Man Depositor's Compensation Scheme Regulations 2010 have no application in this connection.

LAW

The Issuer is a limited liability company incorporated under the Law. The Law does not make a distinction between private and public companies and some of the protections and safeguards that Noteholders may expect to find in relation to a public company under UK law are not provided for by Isle of Man law in relation to the issuer.

In any other case it shall stand adjourned to such day and time (being not less than ten (10) Business Days and not more than thirty (30) Business Days thereafter) and to such place as may be appointed by the Chairman and at such adjourned meeting two Noteholders present in person or by proxy and entitled to vote, whatever the principal amount of the Notes held by them, shall form a quorum.

16. ADJOURNMENT OF MEETINGS

The Chairman may with the consent of (and shall if directed by) any such meeting adjourn the same, from time to time, and from place to place. No business shall be transacted at any adjourned meeting other than business which might lawfully have been transacted at the meeting from which the adjournment took place.

17. NOTICE OF ADJOURNED MEETINGS

Notice of any adjourned meeting at which a Special Resolution is to be submitted shall be given in the manner provided for in the instrument. Such notice shall state that two (2) Noteholders present in person, or by proxy, and entitled to vote at the adjourned meeting whatever the principal amount of the Note(s) held by them shall form a quorum.

18. RESOLUTION ON SHOW OF HANDS

Every question submitted to a meeting of Noteholders shall be decided in the first instance by a show of hands. In case of an equality of votes the Chairman shall have a casting vote.

19. DEMAND FOR POLL

At any meeting of Noteholders, unless (before or on the declaration of the result of the show of hands) a poll is demanded by the Chairman or by one or more Noteholders present in person or by proxy, a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by any particular majority shall be conclusive evidence of the fact.

20. MANNER OF TAKING POLL

If, at any such meeting, a poll is so demanded it shall be taken in such manner as the Chairman may direct. The result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The demand for a poll may be withdrawn.

21. TIME FOR TAKING POLL

Any poll demanded at any such meeting shall be taken at the meeting without adjournment. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.

22. PERSONS ENTITLED TO VOTE

The registered holders of any Note or, in the case of joint holders, any one of them shall be entitled to vote in respect thereof either in person, or by proxy, and in the latter case as if such joint holder were solely entitled to such Note. The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority shall be deposited with the Company at the address where the Register is maintained for the time being (as referred to in clause 8.1 of the instrument) or at such other place as may be specified in the notice convening the meeting before the time appointed for holding the meeting or adjourned meeting or the taking of a poll at which the person named in such instrument proposes to vote and in default the instrument of proxy shall not be

treated as valid. A vote given in accordance with the terms of an instrument appointing a proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation of the instrument of proxy or of the authority under which the instrument of proxy is given or transfer of the Notes in respect of which it is given unless previous intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the address where the Register is maintained for the time being (as referred to in clause 8.1 of the instrument). No instrument appointing a proxy shall be valid after the expiration of 12 months from the date named in it as the date of its execution.

25. VOTES

On a poll every Noteholder shall have one vote for every £1,000 in nominal amount of the Notes of which he is the holder.
