

FAQ's

What is the minimum Investment

£50,000 minimum
No Maximum

When will the interest be paid

If you select Annual Interest

6% of the value of your Loan Notes will be paid on the first working day of the Calendar Year or,

If you select Quarterly Interest

Interest will be paid quarterly at an annualised rate of 5.75%. Quarterly payments will be made in four equal amounts on the first working day following each quarter end.

How will the Funds be invested

The funds will be used to establish a Channel Island consumer finance portfolio consisting primarily of small advances. Some advances for similar purposes may be provided to residents of the Isle of Man.

Who will own the underlying assets

Security over underlying assets, being the Loan agreements and cash reserves, will be secured for the benefit of the Loan Note Holders.

How will the security arrangements operate

Security will be independently audited quarterly and reports made to a Trustee who can enforce the security for the loan note holders.

What happens at the end of the term

Following the expiry of the term, the original loan capital and final interest payments will be returned to the Loan Note holders.

Will CG issue further loan notes

CG may issue similar loan notes in the future to create further finance portfolios. Where possible, existing loan note holders will have priority to invest in these further notes
